TABLE OF CONTENTS

We would like to extend thanks to a very hard-working group of individuals who have helped continue the high standards of excellence in education and extra-curricular achievement. This has not been an easy year, what with the hard winter and the many arrangements for building improvement—but these people have shown wisdom and patience. Thank you:

Mr. David Hoover	President of Board of Education
Mr. Jack Westfall	Board of Education member
Mr. Marshall	Board of Education member
Mr. Sandy Medland	Board of Education member
Mrs. Lolita Schultz	Clerk of Board
Mr. Russell Warner	Board of Education member
Mr. Donald Thompson	Superintendent
Mr. George Wolff	High School Principal

E L E M E N T A R Y

TO A PUPIL

As a pupil myself,
and looking back before I leave here,
I remember many things,

From strutting down the field in band to concerts in choir,
From practicing for weeks for the big night of the junior and senior
class plays.

I remember attending banquets and going on field trips,
Staying out all night, with that "special someone" at the senior
prom.

From watching our sports teams,
to studying all night for that last big test.

It is these things that were expected of me;
They are and will be expected of you!

As I look towards graduation and things in the future,
I leave you with this thought:

"As I recall my years and studies, I realize that it is important to
get as much out of school as possible, and not be afraid to admit
failures and mistakes, and be willing to try something new."

SPELLING BEE WINNERS

Danny Benedict, John Krimm, Tony Bohlander, and Debby Strong.

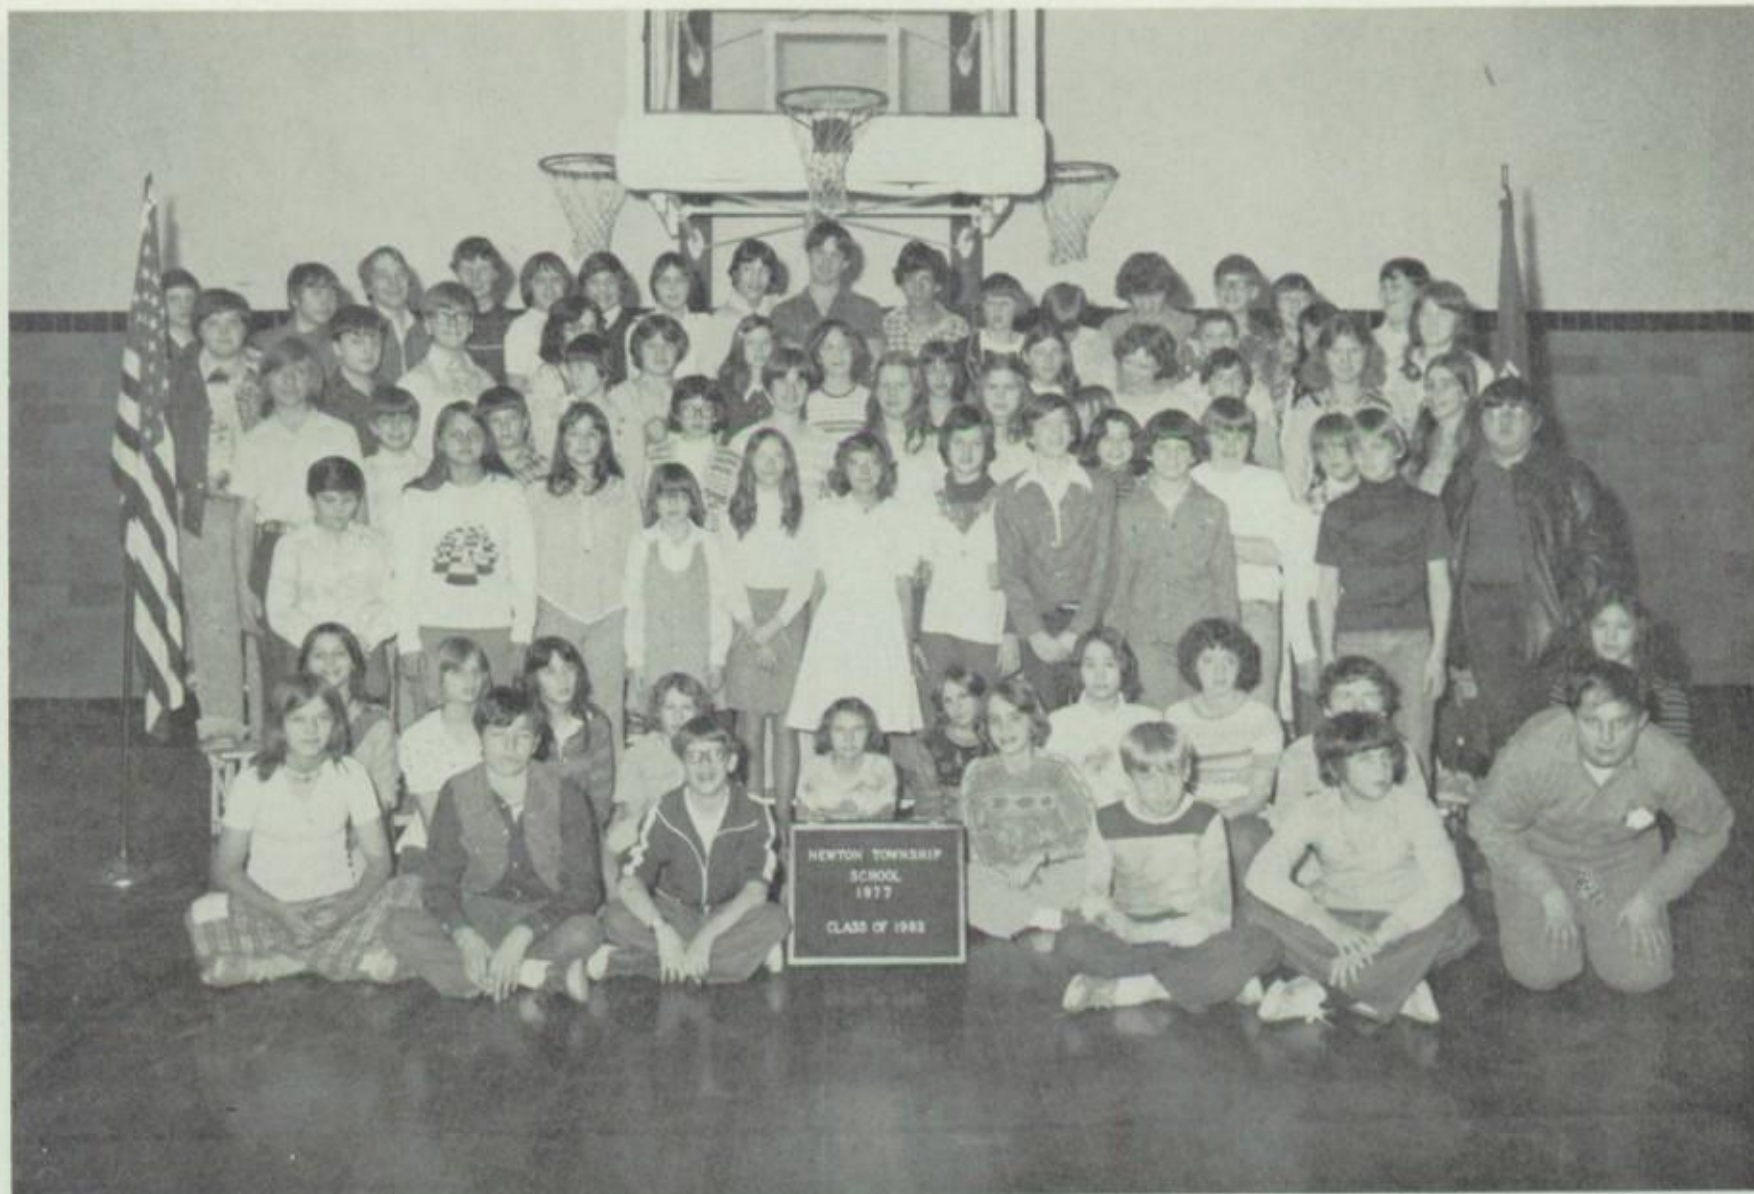

Full of life now, What a thought!
Full of hopes and dreams, wishes, thoughts.
But after all, I'm full of life!

Full of life now, or could it be that
we are just now ready for what's ahead.
Life, or the fullness of Life?

ADMINISTRATORS

BEING

Being Teachers, faculty, and office help,
is not always easy.

It is a big responsibility, to teach;
Particularly when there are ones who don't
want to learn such things as reading, writing
and arithmetic.

It is not an easy job,
it means long hours, cool tempers and an
occasional back of the hand, when all else
fails.

We respect you, thank you, and at this time,
honor you.

The school would not function as smoothly if it were not for the hard work and dedication of our cafeteria personnel and the students who assist them.

Thank you!

Maintaining eligibility, developing our skills, long hours of hard work. The feeling of victory and accomplishments, the discouragement of defeats and failures.

The desire to maintain our talents and to help others maintain and improve theirs. We set our goals to maintain a high school spirit and work to keep it there, this is our goal.

THIS IS WHAT WE TRY TO BE AND DO!

ATHLETICS

This year's yearbook staff would like to express its appreciation to Tammy Jackson, by honoring her here on the Athletics Divider. Throughout her junior high and high school years, she showed never-ending spirit and talents in her cheerleading ability. Congratulations and thank-you, Tammy.!

Welcome to the Indian
Tribe
In spirit, pride, and
enthusiasm.

Follow us
Through our sports events
And hang on to your scalp.

Having basketball mascots was a highlight of our home basketball games. Cindy and Randy added much spirit and gave an Indian-like look to our cheering squad. They did a great job.

Shut not your doors,
and close the world outside.

For it is through these doors,
that we learn the value of life.

Shut not your doors,
but throw them open wide,
and let this knowledge be open to all.

Shut not your doors,
we hope they will always be open to learning.

A C T I V I T I E S

To offer more than given
or take more than offering

To be thankful for what you have now and quit
or to try to share what you have with others

To offer friendship to its truest value
or just pretend to and really be along

To strive for higher goals
but still be understanding and kind

To be there with helping hands
or just not seem to care

These are the offerings we should all have
and be willing to share.

THE HOMECOMING DANCE

Miller, don't you ever listen.
I said Don't look now..

I can't believe that you stepped
on my foot again..

If you take one more of those, I'll bust you one.

A typical Newton dance; sitting around.

JUNIOR-SENIOR PROM

King and Queen: Connie Jay and Tony Blundell

The Junior-Senior Prom was held on May 7, 1977 at the Piqua Country Club.

The evening started out with a fantastic meal. Next, came the crowning of the King, Tony Blundell, and Queen, Connie Jay, and then the dance with music provided by Sunny Good Street.

After the dance, couples viewed the movie **Sugarland Express**. Later, we all motored to the Sherwood Bowling Lanes for bowling until 5:30.

The Prom, on the whole, was a very beautiful evening. The Seniors will remember that night for a long while. We thank the Juniors for such a wonderful night.

SENIOR PLAY

THE COURTSHIP OF EDDIE'S FATHER

Much concern in the Corbett home over Eddie's disappearance.

Mrs. Masters takes a message.

THE JUNIOR PLAY

Norm and Dolly announce their wedding plans.

WE DID IT....

Mrs. Bridges and Loretta confront Tom.

As always, a happy ending.

FOREIGN EXCHANGE

This year our student body happily welcomed a foreign exchange student from Belem, Brazil. She is a junior and participated in several extra curricular activities as well as following a regular academic schedule at Newton. Tiana enjoyed her stay with us, and left us these comments:

“My stay here has been exciting and worthwhile. I want to thank everybody for making me feel welcome. I will take many fond memories of Newton back to Brazil with me.”

To Tiana, we wish a healthy, happy, successful future. When she again visits the states, we would like to extend our welcome to her.

ROSSBURG-A-GO-GO

Each year, around the beginning of May, Seniors from many area schools are invited to a dance and queen contest at Rossburg, Ohio. These festivities have been a tradition for the last twelve years.

A few months earlier, Jerry Smith, owner of Smith Chevrolet, the site of this event, visits each of these schools to let the Seniors choose their candidate. This years candidate was Marie Deeter.

Entertainment this year was provided by the rock group NIGEL from Muncie, Indiana. A very enjoyable evening was had by all who attended.

After twelve years of hard work,
training, fun and tears.

Trials and failures,
accomplishments made, goals attained.

We have reached that long awaited goal—
SENIORS!!

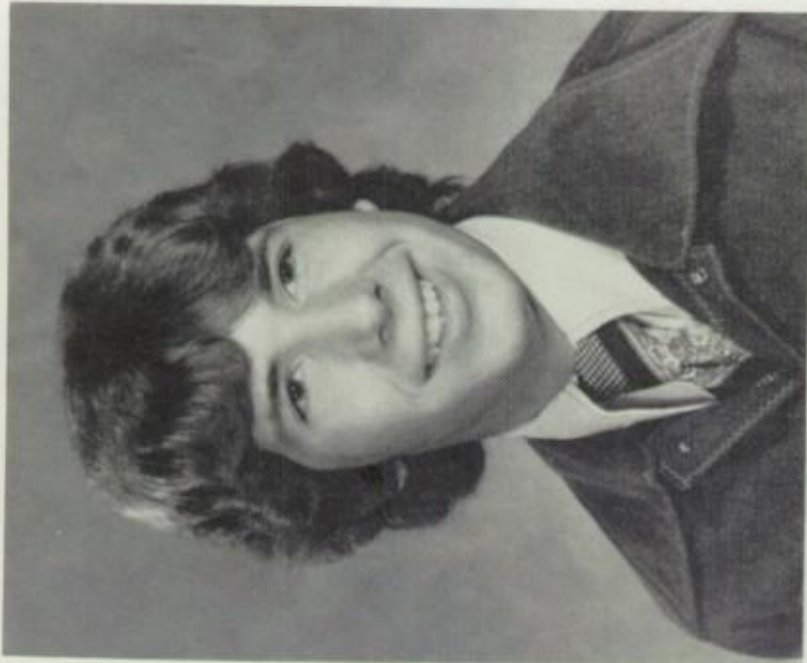

Now it is up to us to use what we have
learned and make our own way.

SENIOR SURPRIZE

Do You Recognize These Youngsters?

We do not always recognize how far we've come until we examine our past. This is a fragment of the 1977 class, brought back for re-examination. Some faces are familiar?

Good luck to all of you! Don't forget the fond memories of your youth, for they help the years pass by more comfortably.

Look how far we've come! Think! How far we have to go!

OUR DEDICATION

After now completing our first twelve years of education at Newton, we have one last duty to do as Seniors, the Annual dedication.

We, the class of 1977, wish to dedicate this annual as a small token of our appreciation to you, Mr. Thoreen.

Twelve years ago, we started our formal education; it was also Mr. Thoreen's first year here at Newton.

You have given up a lot of your time for us. You have advised, taught, and led us to be leaders and effective members of society.

Even times when you seemed to be against everything we wanted to do, we knew it was because you wanted us to learn something or to think before we acted.

In the years we have had together, you have inspired, cheered and backed us. You have become a friend, teacher, advisor, and even a father-like person to some of us.

We hope this shows our appreciation of your time, efforts, and advice that you have given us.

It has been a time that will never be forgotten.

It is to you we dedicate this book.
